

SEO PROPOSAL-DAILOMAISEWA

Website: <https://www.dailomaisewa.com>

Prepared by: Madhav Banjade

Objective

Improve Google visibility for dailomaisewa product and category pages so more Nepali customers can find and buy your products online.

What I Will Do

1. AUDIT & PLANNING

- SEO audit of your site.
- Keyword research for top products and categories.

2. On-Page Optimization

- Optimize titles, meta descriptions, and product descriptions for up to 30 key products + main categories.
- Improve image alt text and URLs.

3. Technical Setup (Developer)

- robots.txt and sitemap.xml setup
- basic schema markup
- Performance & mobile check with recommendations

4. Monitoring & Final Report

- Ensure Google Analytics/Search Console are working.
- Deliver a final report with work done and future suggestions.

What I need from you ?

- List of top products and main categories.
- Coordination with your developer for technical changes(if possible).

Setup and Foundation

- 30 Days

PRICING

Total Fee: 20,000 per month /-

Note: If this is okay, I will start immediately and deliver the first report.
